

QUICK DISCONNECT MODEL NAME: RENO-DISCONNECT

- Pluggable connector with excellent contact
- Available in 2/3 poles
- For wiring standard 18-20 AWG
- Quick, efficient ballast connections
- Electrical shock protection
- Color – orange

Technical Data:

Housing polyamide 6/6 / 94V - 0 grade

Metal parts Brass

Voltage / Ampere Max. 600V

Max. 6A

Temperature rating : 105 °C

Wiring Solid : 18-20 AWG

Stranded : 18-20 AWG (19 strand or less)
(Tin-bonded)
