

OVERVIEW

TOOLS REQUIRED (NOT INCLUDED)

- Wiring supplies as per national and local electrical codes
- Hardware/tools required to mount to structure (field provided)

INSTRUCTIONS FOR THE FOLLOWING FIXTURES

| Order | Model |
|--------|-----------------------|
| R35111 | RENO-14GFL-DV-MCCT-MW |
| R35112 | RENO-22GFL-DV-MCCT-MW |
| R35113 | RENO-24GFL-DV-MCCT-MW |

IMPORTANT

- Before installing fixture, read all instructions and retain for future reference. The important instructions and safeguards that appear in this document are not inclusive of all possible conditions and situations that may occur. It must be understood that common sense, caution, and care are factors that cannot be built into a product. These factors must be supplied by those that care and operate the fixture.

WARNING & SAFETY

- Risk of electric shock!
- Ensure power is OFF at the electrical panel before starting installation or maintenance
- Verify site supply voltage matches luminaire product label
- Ensure the cover is closed during operation
- Modifications to the product will void warranty
- Wiring to fixture must be in accordance with the National Electrical Code and all applicable local electrical and safety regulations
