

Jelly Jar Vapor Tight Fixture

One SKU = Simple Stocking

EiKO's new Jelly Jar fixture is the ultimate all-in-one solution for distributors—versatile, durable, and easy to stock.

- Power & CCT Select: Three power settings and three color temperatures (3000K, 4000K, 5000K).
- Integrated Photocell: On/off switch for optional dusk-to-dawn operation.
- Flexible Mounting: Installs on ceilings or walls with ease.
- Rugged Design: Die-cast aluminum housing and frosted glass lens built to last.
- Wide Usage: Ideal for entryways, security, and utility lighting, indoors or outdoors.
- Simplified Stocking: One SKU fits a variety of needs.
