

Ignitron™ EN

High pressure sodium with internal ignitor

Reduces maintenance costs

- EYE patented FEC eliminates ignitor replacement and maintenance labour costs, and protects fixture components from high voltage pulsing at the end of lamp life
- 35 000 hours average rated life on most wattages
- Long life performance backed up by a manufacturer's limited warranty; up to 3 years
- Environmentally friendly in that Ignitron lamps pass EPA, TCLP test criteria as non-hazardous waste
 - Lead free base
 - Low mercury content
- Nickel-plated base will not seize in the socket eliminating additional labour and spare parts associated with prying a lamp base out of a fixture socket

FEC Technology

- EYE patented Ferro-Electric Capacitor (FEC)
- The FEC generates a starting pulse to gently ignite the Ignitron lamp
- The FEC is the first (and only) high temperature, ceramic starting device capable of operating inside high intensity discharge lamps where temperatures approach 600 °F (315 °C) during operation

Applications

- Street/highway lighting
- Warehouse lighting
- Parking areas
- Security

Ignitron™ EN

NOTE: External ignitor must be removed before installing the EYE Ignitron EN lamp. See instructions for disabling UL classified starter/ignitor and luminaire conversion for Ignitron lamps on our web site (www.standardpro.com) in the literature section.

WARNING:

1. EYE Ignitron are high pressure sodium lamps that operate on a standard high pressure sodium lamp ballast without an external ignitor. Compatible with ballast for the ANSI lamp code shown. Lamps do not require an external starting pulse.
 2. Disconnect the external ignitor in the operating circuit.
 3. For remote applications, the cable from the lamp to the ballast should be limited to 15 m (50 feet) maximum length for lamps less than 150 W and up to 25 m (80 feet) for all lamps rated 200 W and above, because of reduction of pulse volts.
- For other warnings and operating instructions please see the EYE Lighting Product Catalog.

WARRANTY:

- 2 Year Warranty: 15054 & 15056
3 Year Warranty: 15058, 15046, 15048, 15050, 15052 & 58800
