

WARNINGS

RISK OF FIRE, ELECTRICAL SHOCK, CUTS OR OTHER CASUALTY HAZARDS

Installation and maintenance of this product must be performed by a qualified electrician. This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and hazards involved.

RISK OF FIRE AND ELECTRIC SHOCK

Make certain power is OFF before starting installation or attempting any maintenance. Disconnect power at fuse or circuit breaker.

RISK OF FIRE

Refer to product label for specific minimum supply conductor requirements.

RISK OF BURN

Disconnect power and allow fixture to cool before handling or servicing.

RISK OF PERSONAL INJURY

Fixture may become damaged and/or unstable if not installed properly.

DISCLAIMER OF LIABILITY: CSC LED assumes no liability for damages or losses of any kind that may arise from the improper, careless, or negligent installation, handling or use of this product.

NOTICE: Green ground wire is provided in proper location. Do not relocate.

SAFETY: This fixture must be wired in accordance with the National Electrical Code and applicable local codes and ordinances. Proper grounding is required to ensure personal safety. Carefully observe grounding procedure under installation section.

APPLICATIONS: This lighting fixture is designed for indoor lighting applications, and should not be used in an area with limited ventilation or inside high ambient temperature enclosures. It must be stored in a dry location prior to installation.

ATTENTION RECEIVING DEPARTMENT: Note actual fixture description of any shortage or noticeable damage on delivery receipt. File claim for common carrier (LTL) directly with carrier. Claims for concealed damage must be filed within 15 days of delivery. All damaged material, complete with original packaging must be retained.

INSTRUCTIONS

1. Every luminaire comes with one remote control in the box.
2. Please remove the transparent insulating sheet around the battery of the remote control before using it for the first time.
3. All fixtures located within a 15-meter radius of the remote control will be operated by it. Even though each luminaire comes with a remote in-box, any remote can program any luminaire. The remote is not specific to the fixture it came with.
4. To program an individual luminaire at a time, approach the luminaire and aim the remote directly at it from a short distance. Press the button for the desired selection. The function of the different buttons is as given below.

NOTE: The remote control comes with a coin cell battery. Dispose of batteries according to local municipal hazardous waste requirements. Batteries are considered hazardous waste. Do not place them in household garbage. Keep away from children.
