

TYPE C LED TUBES: MIX, MATCH, AND FINE-TUNE

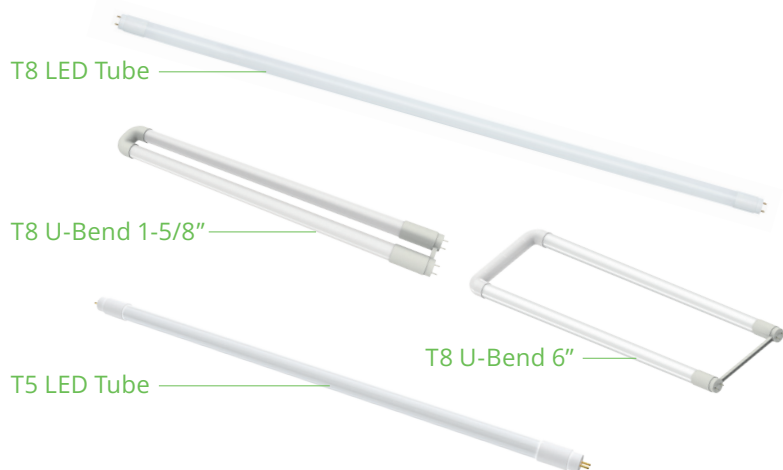

PRODUCT RANGE

- T8 - 2', 3', 4'
- T8 U-Bend - 1-5/8", 6"
- T5 4' HE and HO

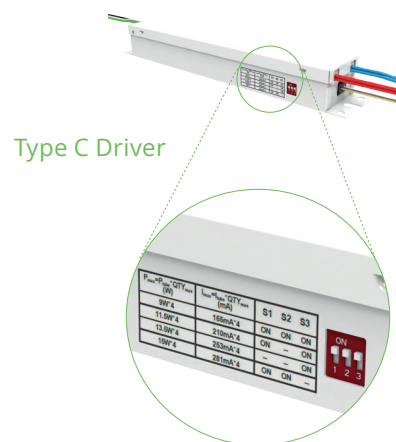

- Fixed CCT: 3500K, 4000K or 5000K

- Two programmable drivers: 30W and 60W

1. CHOOSE YOUR LAMPS

2. CHOOSE YOUR DRIVER

Driver Only

KEY FEATURES AND BENEFITS:

- Mix-and-Match Flexibility: Combine various lamp types and sizes with just two drivers. Ensure the total wattage of the lamps does not exceed the total wattage of the driver.
- Programmable Drivers: Use dip switches to adjust output based on lamp wattage.
- Simplified Inventory: Just two drivers for multiple configurations.
- The driver ensures that even if one tube fails, the remaining tubes continue to operate at their designated power without overloading.
- 0-10V Dimming: Precise light control for energy savings.
- DLC Listed: Eligible for utility rebates.
- 12V DC output, 100mA maximum current to connect to networked controls.
- Energy-efficient and long lasting.
